

Dear Friends of Pitt Academy,

As we reflect this season on our many blessings we are so thankful for your support of Pitt Academy's mission. Our students are embracing their potential and developing skills that are necessary for them to become more independent and productive members of our community. For over 70 years we have strived to provide a safe, nurturing school environment and an individualized curriculum to our students. Together we are changing their lives by providing them with direct instruction in core academics and engaged, hands-on training in real-world, community-based situations.

Through our Life Skills Program we are able to prepare our students with skill sets that allow them to live and work as independently as possible. Starting in Kindergarten and continuing into postgraduate years we partner with students, their families, and agencies to reach the unique goals and abilities of our students. The Pitt educational experience goes beyond academics and includes a life skills curriculum that blends academics, daily living, social, and occupational skills into unified lessons that are designed to help students reach their greatest potential. We equip our students with every skill possible through the inclusion of experiences in the community, at job sites, and through the use of training tools and centers on our campus that are similar to a real-world setting.

We need your help to continue the success and growth of our Life Skills Program. We know that learning is not confined or mastered within the four walls of a classroom and we believe our students flourish when they get to experience instruction in real-world environments. Funding for community-based instruction opportunities is vital for our students to learn through application and training. This, in correlation with on-campus supplies, provides our students the opportunity to apply skills learned and practiced in a classroom setting to real-world situations. This process is priceless in preparing them for productive and more independent lives.

You can securely make a tax-deductible donation online via credit or debit card at <https://Pitt.com/Donate> or you can donate to:
Pitt Academy at 7515 Westport Road, Louisville, KY 40222.

On behalf of the amazing students, our families, and the entire staff of Pitt Academy, THANK YOU! We are forever grateful to you for providing this opportunity to our students.

Merry Christmas & Happy Holidays!
