A NOTE FROM THE PRINCIPAL

School Principal: Renee Doty

As we reflect on the 2023-2024 school year, we are proud to announce the completion of our beautifully renovated Postgraduate Wing! This modern, dedicated facility provides a state-of-the-art environment for our young adults to master crucial independent living, vocational, and social skills.

This exciting step forward ensures we are continuing the legacy of all that Pitt Academy instills in our students, giving them the tools and self-confidence necessary to lead independent and fulfilling lives in the community.

We extend our deepest gratitude to all our supporters and dedicated families. Your unwavering belief in our mission and your generosity make investments like this possible, directly impacting the lives of our students every day.

GOVERNANCE: BOARD OF DIRECTORS

- Renee Doty
- Ron Hohmann
- Karen Kirchdorfer

Ex Officio Members

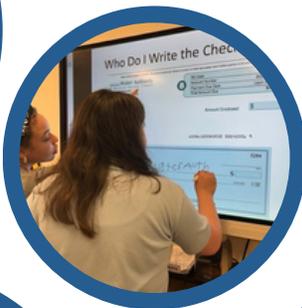

- Michelle Williams, Assistant Principal
- Jennifer Scoggan, Curriculum & Grants
- Amanda Martin, Postgraduate Director

PITT ACADEMY

WHO WE ARE

Pitt Academy is fully accredited by the Kentucky Non-Public Schools Commission, Inc. We are an independent Catholic K-12 Archdiocesan school with a non-denominational enrollment policy. We see our students as individuals with a unique pattern of strengths, learning styles and challenges. We focus on a child's abilities, not his or her disabilities. The environment at Pitt Academy gives students every opportunity to reach their own academic, social and creative potential in a learning environment that meets the needs and abilities of each student. Our individualized program, adapted curriculum, outstanding instructors and vibrant community are committed to helping our students develop the skills and self-confidence necessary to lead independent and fulfilling lives.

MISSION

Pitt Academy provides a safe, nurturing school environment and an individualized curriculum that allows students to realize their full potential and to develop the skills necessary to become more independent and productive members of society.

PROGRAM HIGHLIGHTS

Ford Motor Company Louisville Assembly Plant Donation Drive

There are not enough words to express our sincere gratitude to Ford and Fords Louisville Assembly Plant. We were truly overwhelmed today by the amount of items they donated to the kids. This is our second year partnering with them for this donation drive. Their employees donated over 10,000 individual items, including art supplies, board and card games and playground equipment.

Our Students are the BEST

This December, our Postgraduate students helped deliver handmade holiday cards created by Pitt Academy students to residents at the Episcopal Church Home and Jefferson Place. This meaningful outreach provided our students with the opportunity to share joy and kindness with members of the local community. We are proud of their generosity and the spirit of compassion they continue to demonstrate throughout the year.

Our Postgraduate students hosted their third annual CANtober- a community engagement project dedicated to fighting hunger. Students prepared, delivered, and picked up donation bags throughout our neighborhood this fall.

In collaboration and support of their mission, all items were donated to our local [Dare to Care Food Bank](#).

We are proud to share that our third CANtober event totaled approximately 480 items. Thank you to all who donated in our surrounding Graymoor-Devondale area and your support of our community and school's mission.

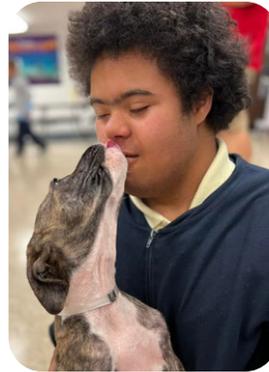

PROGRAM HIGHLIGHTS

Puppies with Partners Event

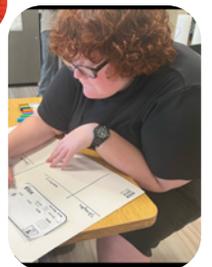

Pitt Academy recently hosted our first-ever Puppies with Partners event, made possible through the support of Oxmoor Auto Group and the Kentucky Humane Society.

Students enjoyed hands-on time with adorable puppies, discovering the joy and therapeutic benefits of animal interaction. Experiences like these encourage empathy, responsibility, and emotional well-being—important elements in our students' personal and social growth.

Renovation of Postgraduate Area

We're excited to share the completion of renovations to our Postgraduate Area! The newly updated space offers a larger, more functional environment designed to support our rapidly growing program. This milestone marks an important step forward as we continue to enhance the educational experience for our students.
